

Continuous Improvement ESSA Supports

AEA consultants offer tailored support for ESSA school improvement initiatives, aligning services with district needs. Our comprehensive approach includes data and resource allocation reviews, self-assessments of MTSS implementation, prioritization of evidence-based practices, action planning and regular check-ins—either quarterly or monthly—to ensure ongoing progress and success.

Every Student Succeeds Act (ESSA) Supports

Consultants guide and support schools through the continuous improvement process, concentrating on the specific areas of need identified by the steps below:

Data Analysis

- Facilitated district resource allocation review
- Individualized data review using multiple data sources
- Self-Assessment of MTSS Implementation (SAMI) using Pear Deck
- Prioritization of meaningful, high-impact goals

Data Driven

Facilitated data reviews leveraging resources and data from multiple sources to provide a comprehensive data review to identify evidence-based action steps.

Action Planning

- Review and selection of targeted, evidence-based practices
- Action planning for effective implementation
- Continuous review of progress and results

Tailored Support

Collaborative, flexible support tailored to district needs and schedules. Customized plans to ensure high quality implementation and results.

Implementation & Sustainability

- Systems coaching
- Content specialist coaching
- Implementation review
- Analysis of outcome data to inform next steps

Dynamic Coaching

Specialized coaching available from content experts to enhance action planning and provide a seamless support and connections to district goals and priorities.
