

SEBH COACHES CAMP

INVITED AUDIENCE

This learning opportunity is intended for internal and external PBIS and SEBH systems coaches, and MTSS-SEBH/PBIS team members including, but not limited to, administrators, school counselors and grade level teachers.

MORNING – COMMON LEARNING

- What makes an effective system?
Best practices for system implementation
- How creating a sense of belonging could help address student school connectedness and chronic absenteeism
- Exploring Early Warning System (EWS) and expanding Tier 2 SEBH supports

AFTERNOON – BREAKOUTS

A variety of sessions that will focus on networking with others to learn about implementation of SEBH systems and digging deeper into topics such as restorative practices, using data, and navigating challenges of secondary building implementation.
