

# Video Production

*Let us help you tell your story!*

Our multimedia specialists have years of video production experience in K-12, professional learning and live event environments.

Let them assist you with your next video project – big or small!

## We Offer a Full Array of Video Production Services

- Video creation such as:
  - Promotional videos
  - Classroom training videos
  - Staff training videos
- Live event production
- Live-streaming assistance
- Special event recordings
- Post-production/editing
- Video transcoding

**Contact our multimedia specialists today to get your project started!**

One option is to use our professional video, audio and lighting equipment. We can even work alongside your student AV club as they use it.

We can also help you share your finished production with a small group, your entire staff or the world!

Heartland AEA will work with you every step of the way, establishing a partnership that will bring your ideas to life!
