

Enhancing School Counseling Programs for Impact

Has it been a while since you reviewed your school counseling program? If so, this course is for you! We will spend time learning then applying that learning to your school counseling program.

Transform Your School Counseling Program!

Join us for a hands-on course designed to help school counselors elevate their programs with data-driven insights, measurable goals and actionable strategies.

Discover best practices for aligning with national standards, improving student outcomes and gaining support from your school community. Leave with a customized plan ready to make an immediate impact!

Custom Plans

Each district will leave with a customized program overview and action plan.

Embedded Support

There will be time for learning and application built into the course.
