

Differentiated Instruction & Assessment with Multilingual English Learners

This coaching cycle is designed to empower educators to differentiate instruction and assessment for multilingual English learners, ensuring every student thrives academically and linguistically. Whether you're part of a large group, PLC or seeking one-on-one coaching, we offer tailored support to meet your needs.

Affordable

Through our service for fee model, school districts access the benefits of coaching without adding staff or committing to a full-time employee.

Teacher Knowledge & Skills

Teachers will develop tools and strategies to effectively differentiate instruction and assessment with multilingual English learners and create inclusive classrooms where multilingual learners excel.

Embedded Support

Provide your team with individualized, ongoing support throughout the school year, helping them grow and reach their goals.
