

WHAT IS

Literacy Implementation Support?

Our literacy support team is committed to equipping educators with the tools, strategies and resources needed to effectively teach literacy skills.

We focus on helping teachers integrate evidence-based practices, analyze assessment data and establish routines that create classrooms where all students can thrive.

Literacy System Supports Aligned to Your Needs

Our literacy support team will collaborate with your district, school, team or teachers to refine and set goals and work through the phases of implementation. We support educators at all levels of systems thinking, from classroom practices to district-wide initiatives, fostering collaboration and innovation at every layer of the educational ecosystem to ensure equitable outcomes for all learners.

Potential Areas of Support:

- Science of Reading professional learning for elementary and adolescent learners
- Structured literacy
- Dyslexia supports
- LETRS training facilitation and support
- Curriculum adoption and implementation
- Tier 1, Tier 2 or Tier 3 supports for literacy
- Cross content literacy practices
- Evidence-based practices in writing
- Diagnostic assessment support
- Literacy-specific school improvement efforts
- Building leadership capacity (teachers, coaches, administrators)
- Data-based decision making
- Literacy-specific new teacher supports
- Problem solving progress of individual students
- Long-term professional learning planning
- Support tailored to the individual needs of your district/school
